

Document Name: Certificate of Analysis

Certificate of Analysis

Report No.: SC-D1-2026007-En

Product	Cryopreservation Medium	Product Code	CS-SC-D1
Lot Number	01260602	Product Specification	100mL/Bottle
Manufacture Date	2026.06.11	Expiration Date	2027.06.10
Storage Condition	2-8°C, protect from light		
TESTS	SPECIFICATIONS		RESULTS
Appearance	Colorless, pale yellow or yellow transparent liquid		Colorless transparent liquid
Identification	The infrared spectrum obtained from the test article matches the reference spectrum		Conforms
Fill Volume	NLT the labeled fill volume		106mL
pH	7.2±0.5		7.3
Osmolality	1950~2050mOsmol/kg		1986mOsmol/kg
Visible Particulates	Essentially free of prominent visible particulates; Each vial (bag) contains not more than 5 fine visible specks		No prominent visible particulates No fine visible specks
Particulate Matter	Each container should meet the requirements: ≥10 µm particle: ≤ 25 particles/mL ≥25 µm particle: ≤ 3 particles/mL		≥10 µm particle: 2 particles/mL ≥25 µm particle: 1 particles/mL
Endotoxin	<0.125 EU/mL		<0.125 EU/mL
Sterility	Sterile		Conforms
DMSO Content	10.0±1.0%		10.10%
Cell Viability	≥85%		96%
Conclusion	☒ Qualified ☐ Unqualified		
Annotation	N/A
